# SOME GENEALOGY OF A RUSSELL FAMILY.

GIVING SOME OF THE ANCESTORS, AND ALL THE DESCENDANTS OF JOHN AND HANNAH (FINCHER) RUSSELL.

JAMES RUSSELL, of Wiltshire, England, was a Captain in Oliver Cromwell's army, which went over to Ireland in 1649. THOMAS RUSSELL, a son of the above, settled as a farmer in County Tipperary, Ireland, and is mentioned in William Edmonson's "Journal." William held a meeting at Thomas's house. THOMAS RUSSELL, one of the four sons of the before-mentioned Thomas, settled in Dublin. He was a plush-maker. His wife's maiden name was Sarah North. JOHN RUSSELL, one of the two sons of the last mentioned Thomas, came to Pennsylvania when about fifteen years old. After remaining in Pennsylvania some fourteen years he went back to Ireland on a visit of several months. On his return to Pennsylvania he married HANNAH FINCHER in Chester Co., at London Grove Meeting House about ten miles from West Chester. They settled in Chester County, near where the battle of Brandywine was fought.

The paternal grandfather of HANNAH FINCHER was JOHN FINCHER, son of FRANCIS and MARY FINCHER who came from Worcestershire, England; FRANCIS died in 1684, JOHN died about 1747. He had children:—Elizabeth, who married Thomas Cox; Rebecca, who married Joseph Bennett; Jonathan, who married Deborah Dicks; Sarah, who married Edward Swayne; Mary, who married Nathaniel Newlin; Francis, who married Hannah Shewin; and JOHN who married JANE McNABB about 1733.

JOHN and JANE (McNabb) Fincher had a numerous family:—Betty; HANNAH, who married JOHN RUSSELL; Jesse; John, who married Sarah Hughes; Sarah, who married Thomas Starr; Margaret, who married William Kennard; Jonathan; Rebecca, who married Absalom Harry; Benjamin, and Rachel.

John and Jane (McNabb) Fincher and two sons were killed by Indians 9 mo. 8th, 1763 and their daughter, Rachel, aged nineteen, carried off captive by them to their camp. After arriving there it was the wish of the Indians that she should marry a chief. This she persistently refused to do, even when threatened with the tomahawk. After a lapse of nine months an exchange of prisoners was effected, and Rachel was brought by the Indians to Fort Pitt, now Pittsburg, but so altered and broken down had she become in consequence of the terrible hardships to which she had been subjected, that she was scarcely recognized by her brother, and was only able to accomplish the long journey home on the same horse with him, and died with her friends.

The following will be of interest. It is an extract from the "records" of New Garden Monthly Meeting:

"At New Garden Monthly Meeting, held the 3rd of 10 mo., 1767, John Russell, son of Thomas and Sarah Russell, and Hannah Fincher, daughter of John and Jane Fincher, deceased, appeared here and signified their Intentions of Marriage with each other. Frans Swayne and Thomas Swayne are appointed to inquire into his Conversation and Clearness on the account of Marriage, and make report to next

Monthly Meeting; and said John hath produced from under his parents' hands, residing in Ireland, their Consent of his Marrying, provided it be with our approbation, which is satisfaction to this meeting."

JOHN and HANNAH (FINCHER) RUSSELL resided in Chester County, Pennsylvania, until 1779. From the records of Upland Monthly Meeting, in this county, we find that they and their children, Thomas, Sarah, Jesse and Mary, removed in 1774 to Kennet Monthly Meeting, same county, (certificate dated 7, 7, 1774.) Here two children, Rachel and James, were born. In 1779 (certificate dated 4, 15 1779) they moved from Kennet Monthly Meeting, Chester County, Pennsylvania, to Pipe Creek Monthly Meeting, in Frederick County, Maryland, one mile south of what is now Union Bridge. Here they lost by death, their daughter, Rachel; and here their sons, Abel and John, were born. In 1784, with their seven children, viz: Thomas, Sarah, Jesse, Mary, James, Abel and John (certificate dated 4, 17, 1784), they removed to Indian Spring Monthly Meeting, then in Frederick, but now Montgomery County, Maryland. There they resided several years. Their daughter Hannah was born there, but I have not been able to find the date of her birth. They and all their children afterwards removed to the vicinity of New Market, Frederick County, Maryland, within the verge of Pipe Creek Monthly Meeting, producing certificates from Indian Spring Monthly Meeting to Pipe Creek Monthly Meeting, dated as follows: For Thomas, 11, 19, 1790; for Jesse, 8, 16, 1793; for Sarah and Mary, 4, 17, 1795; and for John, wife Hannah, and four minor children—James, Abel, John and Hannah, 5, 15, 1795. John and Hannah lived on their farm, one and a-half miles north of New Market, known in the records of the County as a part of "Hall's Choice." A few years before his death they removed to the village of New Market, where he died. She afterward lived with her son, Abel, two miles west of New Market, where she died.

I have in the foregoing given a little sketch of my great grandparents—John and Hannah (Fincher) Russell, and will in the following pages give some account of all their descendants; the dates of birth, marriage and death being given in almost every case. It will be found that in nearly every case the dates of birth and death of those whom these descendants married are given also. Where no date of death is given, nor any comment made thereon, death has not occurred.

I will here explain the plan of the following pages. In all cases dates before names indicate births; dates under names indicate marriages; and dates after names indicate deaths. The figures at the ends of the lines refer to the page to which the names in that line are carried, and the figures above names at the left show the page from which the names under them are brought. The names of the children of each respective pair stand opposite their parents.
